HOSPITALITY BOOKING GUIDELINES
•  All hospitality bookings are made through our hospitality ordering system.
• Prior to booking any hospitality, we ask that you ensure the room you are using is available, and is suitable for the consumption of food. It also helps us enormously if you can state when the room will be available for us to clear.
• The food options in this brochure are for service and delivery between 7.30am and 4.30pm Monday to Friday. A member of our team will be happy to discuss possible options if your request falls outside of these hours, on weekends or bank holidays however, some charges may apply.
• The layout of certain buildings may, for health and safety reasons, restrict the service we can offer and it may be necessary for a ‘disposable’ service to be used. Likewise, building and maintenance works throughout the University may cause disruptions to our ability to deliver hospitality at certain times. We will advise at the time of booking if this is applicable.
• There is minimum order value of £10.00 for all deliveries. Not applicable to order locations with a ‘Beyond Ordinary’ cafe in the building.
• All food is for immediate consumption.
• Cancellations made with less notice than the required period will be charge in full.
• Please ensure you leave all equipment and items delivered for your hospitality in the room for our team to collect. Unfortunately any missing pieces of equipment are chargeable.
• All tariffs are per person and exclude VAT at the current rate.
• Our service is lay and leave, our hospitality team will setup your refreshments and you are then free to help yourselves.
• Our hospitality team are not present during your event. If you require a waited service e.g. someone to serve your refreshments, or tray service, you can book this for an additional cost.
